Using Your Credit Card to Pay ACL Class Fee

The concept:
You will see a menu with choices such as “1-session Seminar” or “3-session Seminar.” If you enrolled in two different 1-session seminars and want to pay for both of them, you will need to specify that in the charging process. I.e. you will purchase two 1-session Seminars. Remember, there is a $1 additional charge per class for credit card payments. Please review the instructions below before using Square Up (credit card company) to make your credit card payment.

NOTE:
Some older versions of the Safari browser on Apple computers do not support these steps. If you do not see the pop-up menus, update Safari or use Chrome or Firefox browsers.

Completing the Square Up Menus
Go to the AGE Computer Lab Online Store: https://squareup.com/market/age-of-central-texas. The first Square Up menu has the following choices: 1-, 2-, 3-, and 4-session seminar, $ for Deal-of-the-Month, and W for Extended Workshop.

Not shown below: Cm-, Cb for Clubs, and V for Variable Amount (if applicable, enter amount paid).

Step 1
Select one of the items, such as “1-session Seminar”

Step 2
Click on the blue bar titled “Add to Cart”
NOTE:

When you complete the Square Up menus and select “Place Order”, you will get an email with a confirmation number indicating your payment was processed successfully.

If you don’t receive the confirmation number, the payment did not complete successfully.
